

Odysseus 2018

Odysseus 2018

His gaze from staring through the bars

Odysseus 2018

His gaze from staring through the bars has grown
so weary that it can take in nothing more.

Odysseus 2018

His gaze from staring through the bars has grown
so weary that it can take in nothing more.

For him it is as though there were a thousand bars

Odysseus 2018

His gaze from staring through the bars has grown
so weary that it can take in nothing more.

For him it is as though there were a thousand bars
and behind a thousand bars no world.

Odysseus 2018

His gaze from staring through the bars has grown
so weary that it can take in nothing more.

For him it is as though there were a thousand bars
and behind a thousand bars no world.

As he paces in cramped circles over and over

Odysseus 2018

His gaze from staring through the bars has grown
so weary that it can take in nothing more.

For him it is as though there were a thousand bars
and behind a thousand bars no world.

As he paces in cramped circles over and over, his
powerful strides are like a ritual dance

Odysseus 2018

His gaze from staring through the bars has grown
so weary that it can take in nothing more.

For him it is as though there were a thousand bars
and behind a thousand bars no world.

As he paces in cramped circles over and over, his
powerful strides are like a ritual dance around a
center

Odysseus 2018

His gaze from staring through the bars has grown
so weary that it can take in nothing more.

For him it is as though there were a thousand bars
and behind a thousand bars no world.

As he paces in cramped circles over and over, his
powerful strides are like a ritual dance around a
center where a great will stands paralyzed.

Odysseus 2018

His gaze from staring through the bars has grown
so weary that it can take in nothing more.

For him it is as though there were a thousand bars
and behind a thousand bars no world.

As he paces in cramped circles over and over, his
powerful strides are like a ritual dance around a
center where a great will stands paralyzed.

At times the curtains of the eyes lift without a sound

Odysseus 2018

His gaze from staring through the bars has grown

slips through the tightened silence of the shoulders,
reaches the heart - and dies.

Odysseus 2018

Odysseus 2018

Don't we all really long on our odysseys for a return
home, to Ithaka,

Odysseus 2018

Don't we all really long on our odysseys for a return
home, to Ithaka, don't we really long on our
wanderings for opportunities

Odysseus 2018

Don't we all really long on our odysseys for a return
home, to Ithaka, don't we really long on our
wanderings for opportunities to act together with
others, wherever we can,

Odysseus 2018

Don't we all really long on our odysseys for a return home, to Ithaka, don't we really long on our wanderings for opportunities to act together with others, wherever we can, to actively take responsibility and promote the development of a society

Odysseus 2018

Don't we all really long on our odysseys for a return home, to Ithaka, don't we really long on our wanderings for opportunities to act together with others, wherever we can, to actively take responsibility and promote the development of a society which is ours and encourages us to contribute to diversity?

Odysseus 2018

Don't we all really long on our odysseys for a return home, to Ithaka, don't we really long on our wanderings for opportunities to act together with others, wherever we can, to actively take responsibility and promote the development of a society which is ours and encourages us to contribute to diversity?

Are we really rigid, motionless, satisfied to all appearances with doing nothing?

Odysseus 2018

Maybe we are individuals in a swarm, so we only look around at the next neighbours.

Odysseus 2018

Maybe we are individuals in a swarm, so we only look around at the next neighbours. Then we can influence along these two ways:

Odysseus 2018

Maybe we are individuals in a swarm, so we only look around at the next neighbours. Then we can influence along these two ways:

(1) We overcome our individual rigidity and absorb information.

Odysseus 2018

Maybe we are individuals in a swarm, so we only look around at the next neighbours. Then we can influence along these two ways:

(1) We overcome our individual rigidity and absorb information.

(2) We influence only and exclusively our closest neighbours.

Odysseus 2018

Maybe we are individuals in a swarm, so we only look around at the next neighbours. Then we can influence along these two ways:

(1) We overcome our individual rigidity and absorb information.

(2) We influence only and exclusively our closest neighbours.

In this way, a shoal of fish, for example, can easily and successfully avoid an attacker.

William Binney - "A Good American" (2016):

"Fighting terrorism" is a deliberate deception of the public. Rather, our elected politicians systematically allow terrorist attacks. Under the pretext of internal security, our secret services collect bulk data, and our politicians use them at will against critics (e.g. journalists), as did the Gestapo, the Stasi or the KGB. Former NSA technical director William Binney, cofounder of PrettyGoodKnowledge.eu, has developed IT tools (ThinThread) for data analysis that society can use as protection against that, as a "societal immune system".

Make the principle a moral imperative by universalizing it.

Try to act in a way consistent with the moral imperative.

Or, if necessary, consider the utilitarian consequences of action, and act so as to achieve an acceptable result while deviating minimally from the moral principle.

Mikhail Gorbachev:

New Thinking

The world that extends the 20th century into the 21st will not be the world of a monotonous humanity, to which the past centuries have striven in their own way,

Odysseus 2018

The 4-Way-Test for thinking, talking and acting:

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

Robert S. McNamara:

The Moral Imperative

Establish as a major goal of US foreign policy, and indeed of foreign policies across the globe, the avoidance in this century of the carnage - 160 million dead - caused by conflict in the 20th century....

Here is our outline of the Kantian calculus for resolving moral dilemmas:

Identify possible courses of action, your moral principle that should guide the action.

Make the principle a moral imperative by universalizing it.

Try to act in a way consistent with the moral imperative.

Or, if necessary, consider the utilitarian consequences of action, and act so as to achieve an acceptable result while deviating minimally from the moral principle.

Mikhail Gorbachev:

New Thinking

The world that extends the 20th century into the 21st will not be the world of a monotonous humanity, to which the past centuries have striven in their own way, but a world of worlds that coexist,

Odysseus 2018

The question was quite natural. All my life I have been asked where I want to go,

Odysseus 2018

The question was quite natural. All my life I have been asked where I want to go,

Odysseus 2018

The question was quite natural. All my life I have been asked where I want to go,
and I always said: home.

Odysseus 2018

The question was quite natural. All my life I have been asked where I want to go,
and I always said: home.

Odysseus 2018

The question was quite natural. All my life I have been asked where I want to go,
and I always said: home.

The answer was in the air, and everyone has understood and accepted it, and accepted it without hesitation,
me too.

Odysseus 2018

The question was quite natural. All my life I have been asked where I want to go,
and I always said: home.

The answer was in the air, and everyone has understood and accepted it, and accepted it without hesitation,
me too.

Odysseus 2018

The question was quite natural. All my life I have been asked where I want to go,
and I always said: home.

The answer was in the air, and everyone has understood and accepted it, and accepted it without hesitation,
me too.

Would you, then, believe that there is one here and now who knows an answer?

and I always said: home.

The answer was in the air, and everyone has understood and accepted it, and accepted it without hesitation,
me too.

Would you, then, believe that there is one here and now who knows an answer?

Odysseus 2018

Odysseus 2018

I've lived to reach that second, and now I know

It was the arrow,

Odysseus 2018

I've lived to reach that second, and now I know

It was the arrow,

Odysseus 2018

I've lived to reach that second, and now I know

It was the arrow, the mild arrow that nobody would
pull out of his shoulder,

Odysseus 2018

I've lived to reach that second, and now I know

It was the arrow, the mild arrow that nobody would pull out of his shoulder, and he did not want anyone to pull it out.

Odysseus 2018

I've lived to reach that second, and now I know
that I will never die. It is not a raven what hurts me,

It was the arrow, the mild arrow that nobody would
pull out of his shoulder, and he did not want
anyone to pull it out.

Odysseus 2018

I've lived to reach that second, and now I know

that I will never die. It is not a raven what hurts me,
it is the arrow in my chest.

It was the arrow, the mild arrow that nobody would
pull out of his shoulder, and he did not want
anyone to pull it out.

Odysseus 2018

I've lived to reach that second, and now I know

that I will never die. It is not a raven what hurts me,
it is the arrow in my chest.

It was the arrow, the mild arrow that nobody would
pull out of his shoulder, and he did not want
anyone to pull it out.

It was as if the same arrow had struck him again for
the second time

Odysseus 2018

I've lived to reach that second, and now I know

that I will never die. It is not a raven what hurts me,
it is the arrow in my chest.

It was the arrow, the mild arrow that nobody would
pull out of his shoulder, and he did not want
anyone to pull it out.

It was as if the same arrow had struck him again for
the second time, only that it now came from another
archers.

Odysseus 2018

I've lived to reach that second, and now I know

that I will never die. It is not a raven what hurts me,
it is the arrow in my chest.

It was the arrow, the mild arrow that nobody would
pull out of his shoulder, and he did not want
anyone to pull it out.

It was as if the same arrow had struck him again for
the second time, only that it now came from another
archers. It was the same arrow, it was black, he felt
it, and again it hurt him.

Odysseus 2018

I've lived to reach that second, and now I know

The pain was bearable, if need be,

that I will never die. It is not a raven what hurts me,
it is the arrow in my chest.

It was the arrow, the mild arrow that nobody would pull out of his shoulder, and he did not want anyone to pull it out.

It was as if the same arrow had struck him again for the second time, only that it now came from another archers. It was the same arrow, it was black, he felt it, and again it hurt him.

Odysseus 2018

I've lived to reach that second, and now I know
that I will never die. It is not a raven what hurts me,
it is the arrow in my chest.

The pain was bearable, if need be, but when he
thought back to the time when he was not yet
wounded,

It was the arrow, the mild arrow that nobody would
pull out of his shoulder, and he did not want
anyone to pull it out.

It was as if the same arrow had struck him again for
the second time, only that it now came from another
archers. It was the same arrow, it was black, he felt
it, and again it hurt him.

Odysseus 2018

I've lived to reach that second, and now I know
that I will never die. It is not a raven what hurts me,
it is the arrow in my chest.

The pain was bearable, if need be, but when he
thought back to the time when he was not yet
wounded, he felt as if he had not lived at all.

Odysseus 2018

Odysseus 2018

It was like that, and he did not lie to himself, now
that it dealt with him.

Odysseus 2018

It was like that, and he did not lie to himself, now
that it dealt with him.

Odysseus 2018

It was like that, and he did not lie to himself, now that it dealt with him. He just asked: Both times, it has ambushed me, why?

Odysseus 2018

Odysseus 2018

On the edge of a summer glows trembling in blue
haze a dreaming horizon, the sunflower turns to its
hot motionlessness.

Odysseus 2018

On the edge of a summer glows trembling in blue
haze a dreaming horizon, the sunflower turns to its
hot motionlessness.

Odysseus 2018

On the edge of a summer glows trembling in blue
haze a dreaming horizon, the sunflower turns to its
hot motionlessness.

„You travel here at night, you should know that.“

Odysseus 2018

On the edge of a summer glows trembling in blue
haze a dreaming horizon, the sunflower turns to its
hot motionlessness.

„You travel here at night, you should know that.“
She was Athena, goddess of light, I saw that now.

Odysseus 2018

On the edge of a summer glows trembling in blue
haze a dreaming horizon, the sunflower turns to its
hot motionlessness.

Like dreams the islands lie on the sea.

„You travel here at night, you should know that.“
She was Athena, goddess of light, I saw that now.

Odysseus 2018

On the edge of a summer glows trembling in blue
haze a dreaming horizon, the sunflower turns to its
hot motionlessness.

Like dreams the islands lie on the sea.

„You travel here at night, you should know that.“
She was Athena, goddess of light, I saw that now.

Odysseus 2018

On the edge of a summer glows trembling in blue
haze a dreaming horizon, the sunflower turns to its
hot motionlessness.

Like dreams the islands lie on the sea. Lonely
birdcalls.

„You travel here at night, you should know that.“
She was Athena, goddess of light, I saw that now.

Odysseus 2018

On the edge of a summer glows trembling in blue
haze a dreaming horizon, the sunflower turns to its
hot motionlessness.

That's how it has always been.

Like dreams the islands lie on the sea. Lonely
birdcalls.

„You travel here at night, you should know that.“
She was Athena, goddess of light, I saw that now.

Odysseus 2018

On the edge of a summer glows trembling in blue
haze a dreaming horizon, the sunflower turns to its
hot motionlessness.

Like dreams the islands lie on the sea. Lonely
birdcalls.

That's how it has always been.

The voices are clear that are above the depth.

„You travel here at night, you should know that.“
She was Athena, goddess of light, I saw that now.

Odysseus 2018

On the edge of a summer glows trembling in blue
haze a dreaming horizon, the sunflower turns to its
hot motionlessness.

Like dreams the islands lie on the sea. Lonely
birdcalls.

That's how it has always been.

The voices are clear that are above the depth

The great mill-wheel that shovels our futures out of
the dark and overwhelms us with the secrets of
doubt is divine..

„You travel here at night, you should know that.“
She was Athena, goddess of light, I saw that now.

Odysseus 2018
